

RECYCLED ART CONTEST

EVANSVILLE'S MESKER PARK ZOO & BOTANIC GARDEN

Turn Trash into Art!

Have fun turning trash into art by participating in Mesker Park Zoo & Botanic Garden's Recycled Art Contest! In celebration of Earth Day, our Zoo is partnering with the AZA to hold an event titled Evansville Earth Event on April 18. The Recycled Art Contest, for all ages, will be held in conjunction with this event.

Entries must be created using recyclable materials or "trash." Examples of acceptable materials to use for your project include cans, plastic, bottles, metal, glass, wood, paper, batteries, or anything that you would discard as garbage. Sculptures, collages, or pictures are just a few project ideas. Be creative as you recycle trash into a treasure!

Entries will be judged based on the following five divisions:

- Pre-K
- Kindergarten – Grade 4
- Grades 5 – 8
- Grades 9 – 12
- Adults
