

Thank You!

Whether you purchased a plaza brick, became a Budgie ZooParent, raised funds as a school project, or made a major multi-year pledge, your contribution is important to supporting the Zoo's mission to connect people to our natural world, and we thank you for your generous support.

The Engelbrecht Carousel, Koch Family Event Lodge, and Budgie Walkabout are the first projects in the Zoo's plan for growth over the next ten years. Following the success of this first phase, we will immediately begin the Penguins of Patagonia campaign and then move toward the largest transformational project in our development plan, Africa.
